K Count the socks

Count the socks. Write the number in the box.

Challenge: Draw 2 more socks. How many then? _____

1 Add and take away

Five shirts are clean. Three more finish drying.

How many clean shirts now? $5 + 3 =$ _____

Eight socks are on the table. Two go into the bag.

How many stay on the table? $8 - 2 =$ _____

2 Make equal groups

Each of 3 laundry baskets has 4 towels.

How many towels altogether? $4 + 4 + 4 =$ _____

Fourteen socks make how many pairs? _____

3 Share and explain

Twenty-four towels are shared equally among 4 machines.

How many towels go in each machine? _____

Show how you know: _____
