

Details that matter

Name: _____

Date: _____

The community garden has three raised beds. One holds carrots, another holds beans, and the third has flowers. Each Saturday, neighbors water the plants and pull weeds. A sign asks visitors to walk on the paths. Keeping feet off the beds protects the young plants. Later in the season, the neighbors plan to share the vegetables.

1. How many raised beds are there?

2. Name one plant in the garden.

3. Why should visitors stay on the paths?

4. Which detail shows the neighbors work together?

☐ I tried it.

☐ I checked it.

☐ I want another sheet.

Grown-up check (similar wording is fine): 1) three | 2) carrots, beans, or flowers | 3) to protect young plants | 4) they water, weed, or plan to share vegetables
