

Put events in order

Name: _____

Date: _____

Rosa wanted to make a bookmark. First, she cut a strip of thick paper. Next, she drew stars on it. Then she colored the stars blue and yellow. After the colors dried, she wrote her name on the back. At bedtime, Rosa put the bookmark between the pages of her book so she could find her place tomorrow.

1. What did Rosa do first?

2. What did she draw?

3. What did she do after the colors dried?

4. What did she do at bedtime?

☐ I tried it.

☐ I checked it.

☐ I want another sheet.

Grown-up check (similar wording is fine): 1) cut a strip of thick paper | 2) stars | 3) wrote her name on the back | 4) put the bookmark in her book
