

Cause and effect

Name: _____

Date: _____

Owen left his towel outside after swimming. That evening, rain began to fall. The next morning, the towel was wet. Owen put it on a rack in a sunny spot. Later, the towel was dry. Before going inside, he brought the towel with him. He wanted it to stay dry if it rained again.

1. Why was the towel wet the next morning?

2. Where did Owen put it to dry?

3. Why did he bring it inside?

4. What happened after the towel stayed in the sun?

☐ I tried it.

☐ I checked it.

☐ I want another sheet.

Grown-up check (similar wording is fine): 1) rain fell on it | 2) on a rack in a sunny spot | 3) to keep it dry if rain returned | 4) it dried
