

Use clues for new words

Name: _____

Date: _____

Jade found a tiny seed beside a large leaf. The seed was so small that she could hold it on one fingertip. She planted it in damp soil. The soil felt a little wet, but water did not drip from it. Each day, Jade checked the pot. Soon, a small green shoot appeared above the soil.

1. What does tiny mean here?

2. Which words help explain tiny?

3. What does damp mean here?

4. What appeared above the soil?

☐ I tried it.

☐ I checked it.

☐ I want another sheet.

Grown-up check (similar wording is fine): 1) very small | 2) hold it on one fingertip | 3) a little wet | 4) a green shoot
