

Compare two choices

Name: _____

Date: _____

On rainy days, Amir likes to read indoors. He sits in a soft chair and turns the pages of a book. On sunny days, he likes to read outside under a tree. He brings a blanket to sit on. Both places are quiet. Wherever Amir reads, he keeps a pencil nearby to write down words he wants to learn.

1. Where does Amir read on rainy days?

2. Where does he read on sunny days?

3. What is the same about both places?

4. What does he keep nearby in both places?

☐ I tried it.

☐ I checked it.

☐ I want another sheet.

Grown-up check (similar wording is fine): 1) indoors in a chair | 2) outside under a tree | 3) both are quiet | 4) a pencil
