A neighborhood library started a book-sharing shelf near its entrance. Readers could leave a book and choose another. Volunteers sorted the books and repaired torn covers. A sign reminded visitors to take good care of the books. After a month, the shelf held stories in several languages. Families often stopped to browse together. The librarian said the shelf gave used books new readers and made more stories available to neighbors.

1. What is the purpose of the shelf?

2. Name one way volunteers help.

3. Which detail suggests different families can find books?

4. Use a detail to explain how the shelf helps neighbors.

☐ I tried it.

☐ I checked it.

☐ I want another sheet.

Grown-up check (similar wording is fine): 1) to share books | 2) sort books or repair covers | 3) stories in several languages | 4) used books get new readers and more stories are available
